

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my suport for the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

There is no hard evidence that cell phone use interferes with navigational instruments, so why not allow people to talk as long as no one becomes unruly and Flight attendants can maintain order.

Please allow the rules change.

Sincerely,

Jake Davidson
